About InterTex Connect

Inspiring Tomorrow's Connections

Who We Are

At InterTex Connect LLP, we act as a **strategic link** between **innovation** and **tradition** in the **textile industry**. Guided by a commitment to **quality, sustainability, and operational excellence**, we facilitate access to **textile raw materials, intermediate products, and finished goods**. We support businesses with **reliable, transparent, and ethical supply chain solutions**, blending **market intelligence, technology**, and a strong **industry network** to deliver **customized services** that enable success in a **competitive global landscape**.

The InterTex Connect Ethos

Together, we are committed to transforming the textile industry through **sustainable, ethical, and efficient practices**. Our mission is to **empower businesses** with **seamless sourcing, reliable supply chains, and innovative solutions**. We value **transparency, collaboration, and responsible practices** that benefit both **people and the planet**, connecting businesses and **inspiring tomorrow's connections**.

Our Approach is built on 3 Core Principles:

- Innovation
- Sustainability
- Collaboration

Product Overview – Plastic Floor Mats

At InterTex Connect LLP, our plastic floor mats reflect the perfect blend of functionality and design. Crafted to meet diverse flooring needs, these mats offer a reliable solution for both aesthetic and practical applications. Manufactured using responsibly sourced and recycled materials, these mats embody our commitment to sustainability without compromising durability or design. From modern interiors to heavy-traffic commercial zones, our mats are engineered to deliver long-lasting performance, safety, and style across every space they serve.

Key Features

- ✓ Durable, flexible, and impact-resistant materials
- ✓ Lightweight and easy to install or reposition
- ✓ Weatherproof for indoor & outdoor use
- ✓ Anti-slip surface for enhanced safety
- ✓ Water-resistant and easy to clean
- ✓ Made using eco-conscious manufacturing practices

Categories We Offer

- **Interlocking Mats** – For modular, customizable flooring systems
- **Roll Mats** – Ideal for quick coverage of large surfaces
- **Textured Anti-Slip Mats** – Enhancing grip in wet or high-traffic areas
- **Decorative Mats** – Infusing color and pattern into practical flooring solutions

Material Composition

- **PET, Polypropylene**
- **Recycled** (Pre/Post-consumer waste)
- **Virgin Materials**
- Our mats are crafted using durable and weather-resistant polypropylene, engineered for longevity in indoor and outdoor settings.

Maintenance Tips

- Regularly dust off or vacuum to keep the surface clean
- Wipe or wash using a soft cloth and mild detergent
- Allow to air dry in shade; avoid extended exposure to direct sunlight to maintain color and texture
- Roll or fold gently for easy storage without creasing.

Certifications

-  **GRS** – Global Recycled Standard
-  **RCS** – Recycled Claim Standard
-  **ISO 9001 & ISO 14001**
- These certifications validate the authenticity of recycled inputs and ensure compliance with international safety and quality benchmarks.

Quality Assurance

- All products undergo:
 - Tensile strength testing
 - Color fastness
 - Dimensional stability
- Internal QC inspections at all production stages
